I have begun working on it, and am hopeful that it will be ready to be public-noticed in December and go to the Board in January.

Hello all,

I'd like to touch base with you for a quick update of the emergency episode plans that you are working hard on. Could you please let us know if you already have a plan to bring your EEPs to your Boards for approval? As always, please feel free to email/call me or Panah from EPA Region 9 for any information. Thanks very much.

Have a nice weekend,

Jin

Hi Jin, Matthew and Jenette,

I hope you are all well. I wanted to check in on the emergency episode plans. Have you heard anything recently from districts other than Amador? Do you know when the other districts plan to go to their boards for approval? We had discussed some districts going to their boards in November, which is fine. If you need us to do anything to help, please let us know.

Thanks a lot!
